Agenda Item: SEOW Maryland Meeting- Binders available/online

- If you haven't received a binder, there are several still available.
- Tricia Brought tabs for the binders previously handed out.

Agenda Item: Christy Presentation

- Christy presented mortality data from the state medical examiner, death certificates, and the emergency department visits.

Agenda Item: Contract Update

- RFP for a consultant is almost finished.

Agenda Item: SEDS

- Ed followed up with the SEOW members if they had looked at the SEDS database online. Few had looked at the website.

Assignment: Please look at the SEDS site. Ed will resend the link.

Agenda Item: PNA /SHARP Update

- The survey is complete or close to complete.
- The prevention coordinators gave Jeff final input for the survey, and he in turn gave that information to Craig and Brenda.

Agenda Item: SFP SIG Grant

- The state received the Strategic Prevention Framework State Incentive Grant (SPF SIG), which will give the state \$2.09 million a year for five years.
- The new grantees meeting will be in January.
- Our new Federal Project Officer is Lee Wilson and will be making a visit to Utah in November.

Agenda Item: State Epi Profile

- The draft is due in November
- It was the consensus of the members at the meeting that Craig should send out the guidance document for the report. Once the members have a chance to look at the document, they will email Craig which parts of the report that they would like to contribute to.
- Ed will resend the New Mexico and Arizona reports for members to look over and get ideas for the Utah report.
